PRESIDENT'S MESSAGE

Hello Weavers,

Well another month of this crazy year has gone by. I hope everyone is well and keeping busy with weaving. Our first Zoom meeting went pretty well last month. We had 20 attendees. Hopefully more can join us this month. We will have a Zoom meeting on our regular meeting day, August 13, 2020. Look for info closer to the date. But it will be 10 a.m., so mark your calendars. Please read Vickie's note in this email for program info. We will also have *show and tell* so be thinking about what pretties you have to share.

The board met recently and we have decided that unless something changes drastically for the better, our Holiday meeting will be virtual. We will exchange gifts via USPS. Basically, by November you need to let me know if you want to participate. You must be willing to mail your item to another participating member. We will draw names at the November virtual meeting and you will send your gift so that at our December meeting we can share what we have each received.

I miss seeing you all in person, but I know that our guild is strong enough to make it through this however long it takes. If you have any issues or concerns or just want to talk weaving, I am always happy to hear from anyone.

Happy Weaving,
Jacqueline

Gross Operating Fund \$14,270.98
Scholarship Fund (1,308.78)
Net Operating Fund \$12,962.20

Greetings Guild members,

Our program for the August 13th meeting will be Marcia Harvey reporting on the Huck Lace workshop she attended, it will be interesting to see what she learned!

At last month's virtual meeting, we had a few members give us a video tour of their weaving and work spaces, it was fun. I would love some volunteers to do the same at each meeting. Until we can meet in person again, it will be nice to see where others pursue their crafts. Please contact me if you are interested, it does not have to be for this month, and you can record it ahead of time for replay at a future meeting. Please join us for our zoom meetings, it is so nice to see everyone. I am working on some virtual programs for the near future.

Hope you are all well,
Vickie

Show and tell online

One of the most popular aspects of our monthly meeting is the show and tell segment. Let's continue to share our excitement by keeping it going virtually. Submit your finished or works in progress on our online submission form. These items are then posted to Facebook for all to enjoy, get inspired, and stay connected.

The online form is here: <https://www.kcweaversguild.org/virtual-show-n-tell>

Detailed info with deadline dates to follow.

Volunteers needed

Hello, I am the textile manager at Scraps KC, a non-profit creative reuse center here in Kansas City. We rely on volunteers to help sort and measure fabric, notions, yarn, etc. Please let me know if you have some members who have a few hours a week to volunteer. Volunteers receive a 20% discount on days they volunteer (not to mention

first dibs on what they might find)! We get some amazing vintage and new fabrics, yarn and notions donated every day. We are specifically looking for up to 4 volunteers each day Monday, Tues, Thurs or Fri from 12-2 or 2-4 (or 12-4) but really any day of the week would work if weekends are better. Let me know if you or your group would be interested. Thank you, Rebecca Fulton Textile Manager Scraps KC 816-522-4305 (store) 816-299-0988 (cell)

Recipients are required to share the results of their study with the Weavers Guild of Greater Kansas City. The Scholarship committee in cooperation with

the applicant will determine how much the award will be and how the applicant will satisfy this obligation to the Guild.
