ANNOUNCEMENTS

Beginners Rigid Heddle Class Was a Success

September 14, 2019, we held our first outreach class at the Kansas City Public Library, Plaza Branch. The Guild had 18 members either helping or lending us looms. We had 16 out of 18 registered students show up with ten members ready to assist these beginners with Rebekah Foote as our lead teacher. Each student was enthusiastic and worked hard to make a small hand towel. The Guild members who helped that day commented that it was fun to help others learn and that they would do it again. Many of us learned a few new tricks from each other which is always a big bonus. It was awesome to see so many amazing weavers working together to help others. Thanks to everyone who supported this effort.

Lynette Beebe

During the September meeting, members passed a motion to update the The Weavers Guild Constitution to include the Scholarship Chairperson as a Board member. This will increase the number of available persons for the position of President.

Article 5 Executive Board

The elected officers of The Guild shall constitute the Executive Board. The elective officers are: ☐ President ☐ First Vice President, Programs ☐ Second Vice President, Newsletter ☐ Third Vice President, Workshops ☐ Treasurer ☐ Recording Secretary ☐ Scholarship Committee Chairperson

The Guild is working with Kansas City Hospice House to provide four types of projects for family members to work on while sitting with hospice patients. Each packet contains instructions, project specific supplies, and the project. Additional project packets are always welcome.

SCHOLARSHIPS

Weaver's Guild of Greater Kansas City offers an Educational Scholarship Program. Any Guild member in good standing who has been a member for at least one year may apply for acceptance. The purpose of these scholarships is not only to enhance the applicant's personal growth, but to also cultivate growth and enrich creativity within the Guild community. Recipients are required to share the results of their study with the Weavers Guild of Greater Kansas City. The Scholarship committee in cooperation with the applicant will determine how much the award will be and how the applicant will satisfy this obligation to the Guild. This might be accomplished by a program lecture or a workshop or other means to be determined. Any monies earned from subsequent workshops etc., will be credited the Scholarship fund.

Application forms are found on our website www.kcweaversguild.org and will be reviewed on a quarterly basis.
