### **Committee Reports**

#### **Programs**

Vickie Raynes reported that Daryl Lancaster will present the April program with the topic being what to do with leftovers.

A couple of ideas regarding future programs were discussed.

- Vickie would like to do a revised version of the mug rug activity that had been planned last year.
- Janet Meddings recommended a Bingo sheet with weaving, crafting and wellness activities for members to complete. It was suggested that the Bingo challenge be due in October and would be our October program.

#### **Workshops**

Cindy Smith reported that she is working on some potential workshops including

- Natural dying with Kim Eichler-Messmer. This workshop will most likely be held this spring.
- Deflected double weave with Natalie Drummond. This will be an interactive Zoom workshop that will probably be held over a two-day weekend in the summer.

#### **Directory**

Kirsten Kakolewski reported that the directory is at the printers and should be ready by the end of the week.

#### **Webpage**

Janet Meddings reported

- the ecommerce sites have been updated
- reStart information has been added
- She suggested that members tag #kcweaversguild when posting on Facebook and Instagram.

**New Business**

Karen Neal started a discussion about cards. She uses cards for the Guild's caring connection activities. She recommended that we purchase cards with the Guild's logo on the front, which can be used for thank you notes and other correspondence by the guild. Karen has found that the Guild can purchase forty cards for \$55.00. Jacqueline Jacobson motioned that we order the cards. The motion was seconded and passed by a show of hands.

**February Program**

Daisha Kimborough from reStart gave a presentation of the mission and activities of the center and background information on homelessness.

Janet Meddings is collecting blankets and towels to be donated to reStart. Donations can be dropped off on her front porch during February.

Running out of time we voted to not have show and tell this meeting so that Janet Meddings and Vickie Raynes could present information of sectional weaving.

The meeting adjourned at 12:23 PM.
